Our time together may have been cut short, but the happiness we shared together, will last a lifetime. I will mourn the lose of my husband, my best friend, my soul-mate, my everything. But, I will find comfort in the knowledge that he loves me to no end. Rest now my love, until we meet again.

Felitia Bearden - March 06, 2020 at 10:16 PM

*On Monday we had a light snow and I would call Ricky to let him know that I had snow and he had none. These are the times that I miss, that loud voice, that was full of love and joy. His conversations were ever lasting but a joy to have. I will miss coming to Petersburg and not having him around. My baby brother, my fishing partner, his homemade wine, and being the life of the party. I love you and you will always be a part of my heart. May your crown in heaven be full of the stars that you earned his on earth. God be with you until we met again.
Love always*
