“ *Mr. Roderick Lemont Cameron*

“ *We have had the good fortune and honor of being part of Roderick's professional life when he interned with Cisco systems. He was an inspiration for a lot of us - given the manner in which he showed up in meetings at work, involved himself and the work ethic that he had despite all the health constraints. May this undying spirit live forever and inspire others all. Personally too, he touched a lot of lives within the Cisco family and this loss will leave a void for us. Our heartfelt condolences to the family and prayers are with you while you go through this difficult phase..*
