“ *Ricky and Daphne, I am so sorry to hear about your loss. Your mother was a fun, loving person. I will always remember the cook outs and New Year's Eve parties at Adele and Gary's house. Me and my late sister, Patricia, who passed in May, were treated like family, because we really are. It was so much joy, dancing with Clint, Ruth, Adele, and Louise. You family matters to my family. We are praying and will continue to praying for you. Much Love, Connie Davis Gore, Pilgrim Rest Baptist Church, Washington, DC.*

Ruth, You and your brother, the late Clinton Jones, were great beginnings of my successful career, in Washington, DC, a journey for which I am still traveling. You took me in briefly with your two (2) children, Rick and Daphne at an early age at 19, provided good leadership qualities, and now I have to say to them, I am sorry for their loss. Daphne and Rick, although, I cannot be with you physically, my heart is.
