“ *Shirley Cole- My deepest sympathy to the family. I worked with Sandra for a number of years at Durham County Department of Social Services. She was a warm and caring person. May you treasure the memories of your dear loved one*

“ *i got to know Sandra from working with her at Durham County Government. She was just a wonderful person. I always looked forward to stopping by her office- when I was in the DSS Building-to hear some kind encouraging words from her. She was the kind of individual you hate to say farewell too.*

“ *I am so sorry to hear of your loss. I knew Sandra from Social Services also. We worked there for many years and Sandra was always so friendly to me and EVERYONE. Sandra will be missed by many. I count her a blessing to call her my friend and a great co-worker at Social Services Nancy Mishue*

“ *I am so sorry for your loss. I met Sandra somewhere around the late 70's. Later we worked at Social Services often interacting with each other around her plants and just general conversations. She will truly be missed but memories and love will endure. God bless you and your family.*

*Sincerely,
Constance Wright.*

I met Sandra when she came to work at DSS. We worked together in the Food Stamp Office in the late 70's. We became instant friends. Over the years we ended up in different divisions but when our paths crossed we caught up and our bond remained strong. Sandra was such a sweet and kind person. When I learned of her illness and death I was saddened..all my memories of our interactions overwhelmed me. I will never forget her..she was a "light" to those of who were honored to get to know her. To Sandra's family: Hold on to your love and fond memories. You will see her again one day. You loved her but God loved her best and she is with Him...waiting to be reunited with you.
