“ Sharon and I grew up on the West End and it saddens me to hear of her passing. She always wore a beautiful smile and was so kind. I pray her family finds comfort under the umbrella of God's love.

Rest in peace, Sharon.

“ *My sincere sympathy to the Keith-White Family. I am so saddened by the passing of such a wonderful, free-spirited, funny, joking, and kind hearted woman. Sharon and I became not only co-workers but friends when I jointed the Durham VR Unit years ago. We were inseparable and worked tirelessly on many cases. When I originally met Sharon, we got along exceptionally well because our personalities are a lot alike. Sharon was good at bossing people around (in her own way) and I'd always laugh at her and tell her how crazy she was. She was very Feisty, and I enjoyed every minute of her "Unique" personality. We had such wonderful times in and out of the Unit that sometimes our supervisor didn't know what to do with us.(smile) That was funny. We were Frick and Frat at work. I am going to miss her greatly. She definitely left a great positive impact on the many lives she touched in her outreach, caring, and devotion to others. She was a jewel that will be greatly missed. Although she is gone on, she looked very forward to this day to live in eternity. I will miss you my Friend. I love you and will always remember our "good times" together. Rest in Peace.*

Love,

To the Keith family, I am sorry to hear about the loss of Ms. Sharon, who was mother, grandmother, aunt and outstanding friend to those who knew her. I work with Ms. Sharon for several years while I was in the Durham Office. I found her to be a conscientious career person who made you aware that she knew and loved the lord. We maintained our communication after I moved to another office and retired. May you keep in your heart all the good things and times you shared together. May the Lord continue to bless the family in a mighty way. Leonard L. Lassiter Sr.
