“ My cousin Sherry was the most courageous and bravest person I have ever known! She was an example of strength which went above and beyond with an endurance that fulfilled the meaning of "keep hope alive." Even on the hardest days when asked how she was: her answer was:"We're hanging in"!!!! She was always the giver--in whatever material thing she could give; in whatever encouragement and inspiration she could share. Supreme optimist! Always! Supremely PROUD of Sherrice!! She had ambition and vision for herself and her daughter. Always!! She appreciated the slightest or most minute gesture given in her behalf. She was forgiving of the most major slights. She LOVED people! Her family; her friends. EVERYBODY!!! Her beauty kept on growing through the years; through all the horrific experiences. She stayed fashion conscious; even inventing ways to make her best appearance. Her hospitality was above expectation. She made certain every guest and every visitor received her full focus and attention. She was a mentor and an example to one and all. She would most likely refuse this compliment but many will certainly agree: Sherry Lynn Eubanks was a phenomenal woman in every sense--and she will be so very much missed...

“God didn't promise days without pain, laughter without sorrow, nor sun without rain, but he did promise; strength for the day, comfort for the tears and light for the way.” Sherrice please know that your mother was a beautiful person with a beautiful spirit, always trying to help someone along her way. So be encouraged knowing that HE will not put more on you than you can bear. I know it seems a little hard right now, but this too shall pass.
