“ *My mother talks so much about Sal when I was younger she said she was madly in love with him but she declined on his proposal instead she married my father. She left Durham and moved to Brooklyn NY in the early 60s. I met him once in Brooklyn when I was about 12 years old I thought he was a very handsome man. So sorry to find out of his passing. Mom Marjorie Faulk is still hanging in there 80yrs old. All of her friends and family have passed on. I pray she's stays around forever. My condolences to the family.*

“ I am so sorry to hear of Solomon's passing. He always had a smile on his face and a kind word on his lips. Solomon brightened up every room he walked into. He was loved by everyone who met him and will be sorely missed.

“ To my dear family- we mourn now but we know that one day we all will rejoice together. Uncle Solomon will continue to be a part of us and the love and memories of days past will stay with us and keep us during our lonely hours. As a family, we have faced the lost of our love ones together and we have to continue to be a support system for eachother. Even though I am far away I support each of you with my love and prayers to our faith God - that is able to keep us. Aunt Shirley- continue to be Strong in the LORD and in the power of HIS Might !
I love you all ❤️

Thoughts and Prayers to Pastor Shirley and family. May the wonderful memories of your brother's love be with you and comfort you at this time. He is with God now and if you live with God. The love will live forever in eternity. And there are memories that will shine through the sorrow we fell right now.. Cause Jesus is the way and the truth, and the life, no one comes to the Father, but through me. John 14:6.
