“ *I remember when Sonia came to work on the GuLf Study. She wasn't too sure of things, but she eventually found her voice. She always had a way to talk to people and that is what made her unique and wonderful all in one. She always had a way to identify with whomever she spoke to. I especially enjoyed her life stories....how she overcame so many obstacles to get where she needed to be. I will miss her dearly....and remember her with dignity and Love.....as not only my co- worker, but as my friend. My Sincerest Condolences to Sonia' s family.....you ALL will be in my prayers for Strength, Peace, and Love.*

“ To the Family of Sonia Parson Smith,
My condolences are with you. I have not seen Sonia since East End
Elementary School, but I have lasting memories of the many smiles
and laughter from recess. Those were the "good ole' days.
