“ *a poem from the heart...*
if god is doing the timing then it must be right,
you're walking with him now towards a brighter light
it breaks my heart cause you were still so young
never imagined you'd be taken away by the hands with a gun
i pray for your children hope he guides them with love
they now have mommie and daddy watching them from up above
rest easy my friend, you had such a good heart
nomore worries or problems cause you are at home with god....
