

Mrs. Tiffany Sherrill Key

February 18, 1978 - September 18, 2018

Tiffany Marie Sherrill, a true vision of wisdom, strength, independence and a healthy portion of black girl magic, was a woman who lived and moved with purpose. She was God's gift to her parents Gregory Williams and Stephanie Sherrill, born on February 18, 1978. A charismatic personality, assertive and independent spirit accompanied by a heartwarming smile were her gifts. Never meeting a stranger, she loved life and people with an open heart.

Tiffany was very popular in her schooling years and had many friends. She had many talents and always put her best foot forward at any job or task. She became a small business owner, catering for local venues and was quite successful, but her greatest achievement was being a mother to her son Sakin, who she lovingly called Keen. Her life became complete and she lived a forever honeymoon after meeting and after some time marrying her soul mate Craig Key.

Tiff had many skills and talents, one of which was painting. She filled the walls of her home with her beautiful works of art. Tiffany was as beautiful in her smile as she was in her heart. She worked at Grace Physical Therapy as the Practice Manager and received frequent accolades for excellence at her job. Tiffany was instrumental in starting the practice and irreplaceable in running it. She was loved by the staff as well as the patients, many of whom have described her as an angel on earth due to her special ability to make them

feel seen, welcome, and comfortable.

Tiffany leaves to remember her in spirit, her devoted and loving husband Craig Key, her cherished son Sakin Sage Bayete, two step-daughters Monica and Chantell, six grandchildren, grandmother Veronica Sherrill, mother Stephanie Sherrill, sister Maya Sherrill and a host of aunts, uncles, cousins and friends.
