“ Where do I begin?? I met Tim through my deceased husband; Travis Knight. I am so glad to have had the pleasure of knowing him, definitely a good guy n a hard worker. I remember going to his house and watching him playing his play station and let's not talk about him wearing his shades. You definitely was one of the most coolest guys Tre associated with. :-)) May you rest in peace my dear friend and brother and may God put his arms around your family. God Bless..

“ Please know that your family is in our prayers as you deal with the loss of your son. I've only known Tim a few years but he has truly made a lasting impression on me and my sons. While we may not understand just why we lost such a great man, God's plan and purpose is never wrong. As the days and weeks pass, hold strong to the knowledge that you've raised a wonderful man that has brightened the lives of so many and who's memory will never be forgotten. His work and legacy will live on through the young man he has been a father to.
