

Mr. Timothy Curtis Wilson

June 14, 1957 - April 26, 2021

Timothy Curtis Wilson, age 63, entered eternal rest on Monday, April 26, 2021, at his residence. Timothy Curtis was born to William Curtis Wilson and Luretha Chavous Wilson in Bucks County, Pennsylvania on June 14, 1957. He was the second of four children born to this union.

At an early age, Tim professed his faith in Jesus Christ and was baptized at Second Baptist Church, Doylestown, PA.

Tim was educated in the Bucks County Public Schools. He was a 1975 graduate of Central Bucks East High School. While attending high school, he was a gifted baseball and football player. In March 1976, Tim enlisted in the United States Air Force. During his 20 year military career, he specialized in electronics and computer technology. He served many tours including the Gulf War. He retired as a Master Sergeant at Pope Air Force Base on August 11, 1996. He completed a lifelong accomplishment that same year by receiving his Bachelors Degree in Computer Information System from Campbell University with summa cum laude honors.

After his retirement from the military, he continued his career expertise in Computer Information Systems by being employed with IBM, Blue Cross and Blue Shield and Glaxo-SmithKline.

After retiring from the corporate world, he became employed as a United States Postal carrier. He enjoyed greeting and meeting new families along his rural route. He also became employed as a clerk at Steve's Garden Market and Butchery in Hillsborough, NC where he enjoyed greeting customers with his infectious smile. He remained working there until his passing.

On April 20, 1985, Tim was united in holy matrimony to Audrey Jeannette Brown of Hopewell, VA. This union was blessed with two beautiful children Christopher Curtis and Alyssa Brooke.

Tim was a multi-talented and competitive man. He was full of wit. He never met a stranger. He engaged in many hobbies throughout his life. He enjoyed playing and coaching baseball, watching college basketball (UNC Tarheels fan for life) and football, fishing, playing billiards, playing chess, taking beach trips, traveling, and riding in the countryside on his cherished Harley motorcycle. He enjoyed spending time with family whom he dearly cherished.

Tim was preceded in death by his father William Curtis Wilson on February 21, 2014.

He leaves to cherish his memory: his loving and devoted wife of 36 years Audrey Brown Wilson; son Christopher Curtis Wilson and daughter Alyssa Brooke Wilson of Durham, NC; mother, Luretha Chavous Wilson of Doylestown, PA; sisters, Elaine Johnson (James) of Roslyn, PA and Annette Wilson of Doylestown, PA and one brother, Bruce Wilson of Doylestown, PA; mother-in-law, Mary M. “ I know several months have gone by since my old High School friend Tim has gone to join our Heavenly Father. I last spoke to Tim probably 25 years ago when the both of us was in the Air Force we lost touch again for whatever reason. For whatever reason I was thinking about Tim this week and ask the assistance with an on-line Military locator service and they found this Obituary on my friend Tim. From the day's at Paul W. Kurtz Elementary, to Lenape Jr. High to Central Bucks East High school we were friends. He was one heck of a Baseball Player and enjoyed football as well. A big protector of his younger sister Annette throughout our school years. It saddens me that I did not find my friend years ago. Rest In Peace, Tim....my friend and fellow USAF brother. Prayers to your wife and children that able to cope with the loss of my old friend !!!!

“ I worked with Tim at GSK from 2002 - 2015. Tim was one of the smartest and nicest people I have ever met. He was always willing to share knowledge, help and always went the extra mile. He was the person that would make you laugh and always had a big smile. If you were having a bad day, when Tim came around, you'd forget all about it... he was that person. I m so sorry to hear of his passing and pray for his family during this tough time.

“ I'm truly going to miss my Bim Bim. And he was the only one that I would let still call me Nettpie. My favorite memories will definitely be the very spirited Merrie Melodies discussions we used to have. My dear Big Brother, may you Rest In Peace until I get there!! 😊

“ *I was fortunate to meet Tim when we both worked at BCBSNC. We built a lasting friendship that endured for years. We talked and laughed together while he would be putting a beating on me in pool and chess. Tim, you will be missed. Audrey and family, you will continue to be in my prayers during this time and for strength of our Lord as the sun rises and sets in the days to come.*

“ I had the privilege of working with Tim for several years at GlaxoSmithKline. Tim was a good friend and mentor and I believe he never knew a stranger. He was always very friendly and outgoing and truly had an infectious smile. We shared a common love of family, sports, and motorcycles and often ate our lunch together. Those lunch time meals with Tim are some of my fondest memories of working at GSK. During our lunches, Tim would share stories of Audrey, Alyssa (his “Baby Girl”), and son Chris. I know he loved and cared for you all and was very sorry to hear of his passing. May God grant you all His peace in your time of grief.

“ *Some folks and I went out to lunch to eat Thai. I just shared the story of going out to lunch with Tim and others that worked with us. As we all were eating Tim got very quiet, his face was turning red and noticed his forehead was popping with sweat. Finally everyone asked was he okay. It took a few minutes before he finally answered. He had eaten some Thai peppers that were too hot. After the heat calmed down he busted out laughing and we all laughed. Thankfully he was okay. However, the best memory is when he had to leave to conduct several military operations he always came back home safe. He was DoD finest communicator and great Friend. Heartfelt sympathies to Audrey and the Family.*
