“ *It's taken a few months to digest your passing dear friend. Vertina, you will continue in our hearts and our memory. The entire Redding family knew your loving kindness for more than 25 years. You are and will always be an extension of our family...we know that you are among the great cloud of witnesses and your laughter fills the heavens...We love you!*

“ *I am indeed very sorry to hear about the passing of such a beautiful young lady. I know that there are many sad faces and broken hearts because of the love that others had for Vertina. Please know that you are in my thoughts and prayers. It's so good to know that those who die are only sleeping in death and that one day very soon our loving heavenly father will bring them back to life by means of the resurrection. All praise to Jehovah and his reigning king Christ Jesus whose death made all things possible! John3:16 John5:28-29 Soon all suffering, death and pain will be gone forever. Good Riddance!*

“ To Ms. Thomas' friends and family, I'm sorry for your loss. Although we never met, I know the pain of losing a loved one in death. God knows the pain also, because he allowed his son to die for us. Just as Jesus was resurrected, we can look forward to seeing our loved ones again on a paradise earth. - Ps. 37:29; John 15:28,29.
