“ To the family: I was saddened to recently hear about the passing of Wanda. She and I were classmates at Bennett College where we both majored in Spanish. I will always have fond memories of our time together. It is my prayer that God will comfort you and give you peace. With heart felt sympathy,

“ To the family of Wanda Duke Lipscomb, sorry to hear of your loss. Wanda, made it a point to visit me when I came home to Durham for a visit. I will always remember the times that we had at Sunday School when we were young. Wanda has her "wings" fly high, and she will be watching over her sisters.

“ The family of Wanda Duke was always special to me. I spent many summer vacations with the family. Those were such memorable occasions. I loved the times we had together. I became one of Uncle Duke's girls. I am so sorry that I am not able to be with Gazelle and Hazel.
