“ *MY Fond Memory: He was my patient at the VA from time to time we fought and talked a lot. I would bring him candy and when he went to store downstairs he'd bring me a Hershey bar with almonds from time to time my favorite. He liked the old movies (so do I) and if I told him a good movie was on TCM he'd turned to it and we would watch a little bit together. RIP Mr. Penn from Vennise RN*
