“ *The White Family, Please except my sympathy for the death of your loved one. It makes us sad when we can no longer see or talk to the ones we lose in death. Comfort can mean a lot. It can give us a hope and help us to make some sense of why we die. We have to go to the Bible for that comfort also the Bible offers us a real hope. That hope is found at John 5: 28,29. We will be reunited with our loved ones. All those in the memorial tombs will hear his voice and come out." Read the whole scripture for yourself from your copy of the Bible. What a wonderful promise.*

*Sincerely,
Elizabeth*
