“ *Mrs. McKiver took care of my twin sons when they were infants beginning in 1984. What a wonderful lady. Her home as filled with the delicious smells of her cooking and the twins were often asleep, one on each shoulder of her mother when I came to pick them up. She was so kind and took great care of my twins that it was easier to leave them to go to work at the VA. I worked in the pharmacy with Sheleria. I will always be grateful for the care and love she showed my twins and I know she will be missed by her family.*

*Sincerely, Becky Pratt*
